This book is almost beyond explaining in simple language.When I first heard OCD, I didn't realize how much of an impact that a short YouTube video would end up having on my life.When I met Neil Hilborn in May 2014, I did not expect to be trying to become a poet myself in July 2015. His advice "keep writing, and start performing. It's gonna be total shit the first few times, but it gets better. And that's the only way to get better" set me on a path that has shaped me and how I try to look at the world.I started performing, and immediately bought this book when it went on sale. I have not been disappointed for a moment since. He speaks with a truth, a pain, and a humor that sticks to you like wax, and only after letting the oil in your heart burn can you peel some of his words away from your skin. Our Numbered Days is unpretentious and brilliantly real. If you don't feel something after reading it, I'm not sure you had the ability to feel in the first place.Favorite Poems: Ballad of the Bruised Lung, Bystander Paralysis, Chitin, Our Numbered Days #4 #7, OCD, Liminality8/6/19: I've revisited this old friend, and had to fight off silverfish to read it. They liked the taste of the book, and i like how the words taste on my tongue. Neil has a magical talent that i will always welcome in my life so long as I'm unhappy, which is to say so long as I'm alive. ...more Length:"When you're dumb enough for long enough, you're gonna meet someone too smart to love you, and they're gonna love you anyway, and it's gonna go so poorly," Neil Hilborn writes in his debut full-length collection, OUR NUMBERED DAYS. In 2013, Hilborn's poem "OCD" went viral, and has amassed over 11 million views to date. While this collection ruminates on love, heartbreak, and mental illness, these poems are anything but saccharine. Hilborn uses the same humor and self-deprecation that propelled "OCD" to success in order to make his unmatched vulnerability all the more powerful. Ultimately, Hilborn is a poet of the people: his work is accessible, honest, and entertaining; a revitalizing entry in contemporary poetry.
